

*** Call: PhD Position with R. Schindler ***

The Institute for Mathematical Logic of the University of Münster offers one

PhD position

(75% position, salary level E13 TV-L)

in the area of mathematical logic (specifically: set theory). The duration of the position is 3 years. The expected starting date is the fall/winter of 2019. The applicant is supposed to collaborate on the project “Generalized Baire Spaces – Definability and Paradoxical Sets” with Prof. Ralf Schindler which is funded by the Deutsche Forschungsgemeinschaft (DFG).

Your application should contain a cover letter, your CV, diplomas of your academic degrees (bachelor, master, or Diplom) and transcripts of the courses taken, including marks or grades.

The University of Münster is an equal opportunity employer and is committed to increasing the proportion of women academics. Consequently, we actively encourage applications by women. Female candidates with equivalent qualifications and academic achievements will be preferentially considered within the framework of the legal possibilities. We also welcome applications from candidates with severe disabilities. Disabled candidates with equivalent qualifications will be preferentially considered.

If you have any questions, please feel free to contact Prof. Schindler at rds@wwu.de .

Please apply via email to rds@wwu.de . The deadline is 15 September 2019.
